

**VITAE**  
**ARIEL A. ROTH**

**PERSONAL**

Born: July 16, 1927 Geneva, Switzerland  
Family: Wife and two sons  
Citizenship: Naturalized U.S. citizen 1956

**EDUCATION**

B.A. Pacific Union College 1948  
M.S. University of Michigan 1949  
Ph.D. University of Michigan 1955  
Additional training in radiation biology, University of California at Berkeley 1956-1957  
Additional training in geology and mathematics, University of California at Riverside 1963 . . . 1969

**EMPLOYMENT**

Teaching Assistant, University of Michigan 1949-1950  
Instructor to Associate Professor of Biology, Pacific Union College 1950-1957  
Research Associate, Loma Linda University 1957-1958  
Professor of Biology and Chairman of Biology Department, Andrews University 1958-1963  
Professor of Biology and Chairman of Biology Department, Loma Linda University 1963-1971  
Professor of Biology, Loma Linda University and Acting Director, Geoscience Research Institute 1971-1973  
Professor of Biology and member of Geoscience Research Institute, Loma Linda University 1973 – 1996.  
Director, Geoscience Research Institute 1980 – 1994  
Senior Research Scientist, Geoscience Research Institute 1994 – 1996. Editor of journal ORIGINS 1974-1996.  
Associate Faculty, Department of Earth and Biological Sciences, Loma Linda University 1996+  
Adjunct Professor, Department of Earth and Biological Sciences, Loma Linda University 2008-

**ACADEMIC ACTIVITIES AND HONORS**

Atomic Energy Commission Grantee in radiation biology 1960  
National Institutes of Health Grantee for research on metabolism of schistosomes 1961-1963  
Visiting Research Scientist, Hawaii Institute of Marine Biology 1968, 1970  
Visiting Professor, Andrews University Extension in Europe. 1970  
Atomic Energy Commission Grantee for research on coral reefs at Eniwetok 1971, 1972, 1973  
Member, NSF-AEC sponsored Symbios research team to study coral reef metabolism at Enewetak 1971  
Consultant on creation to the California State Board of Education 1971  
Director, Loma Linda University Research Team for underwater research on coral in the Bahamas 1973, 1974 (Sponsored by the National Oceanic and Atmospheric Administration; lived on the ocean floor for 1 week)  
Has given hundreds of lectures over the world, and conducted dozens of geology study field trips in Europe, Australia, New Zealand, and the United States.  
Elected to Who's Who in America 1974  
Chairman, Biblical Research Institute Science Council 1971 - 1991  
Editor: ORIGINS journal 1974 – 1996  
Keynote speaker, public hearing, House Education Committee, State of Oregon 1981  
Witness for the State of Arkansas: Evolution-creation trial 1981  
Science Editor, THESE TIMES 1981 - 1984  
Contributing Editor, MINISTRY 1987 –  
Visiting Professor of Biology, University of Eastern Africa, Baraton 1995  
Visiting Professor of Biology, Spicer College, India 1995  
Adjunct Professor of Science and Religion, SDA Theological Seminary, Andrews University, 1993 - 1996  
Listed in the Templeton WHO'S WHO IN THEOLOGY AND SCIENCE 1996  
Awarded the MEDALLION OF DISTINCTION – the highest award of the Department of Education of the Seventh-day Adventist Church, March 1997  
Visiting Professor of Biology, Caribbean Union College 1997  
Lecturer for the William A. Osborne Distinguished Lecture Series, Caribbean Union College 1997  
Honored Alumnus, Pacific Union College, 1998  
Member, Loma Linda University Councilors 2000-  
Advisory Associate Editor, Perspective Digest 1994-

Recipient: Charles Elliott Weniger AWARD FOR EXCELLENCE 2003

#### PROFESSIONAL SOCIETIES

Society of the Sigma XI (honorary)  
Geological Society of America (member)  
Society for Sedimentary Geology (member)
